Wherever I'm going
Wherever I'm staying
It doesn't matter
As long as I'm staying with you,
Staying with you

I'm always happy
Whatever I'm doing
It doesn't matter
As long as I do it with you
Do it with you

I may never have much silver and gold
But I've got something more precious and warmer to
hold
And that old rocking chair don't scare me like it used to
It doesn't matter as long as I'm rocking with you

Wherever I'm working
Whatever it's paying
It doesn't matter
As long as it's working with you
Working with you

These things I believe in
Some people call dreaming
It doesn't matter
As long as I'm dreaming with you
Dreaming with you

I may never have much silver and gold
But I've got something more precious and warmer to
hold
And that old rocking chair don't scare me like it used to
It doesn't matter as long as I'm rocking with you

No, it doesn't matter as long as I'm rocking with you
No, it doesn't matter as long as I'm rocking with you

As long as I'm rocking with you
