I don't remember lovin' you
and I don't recall the things you say
you put me through.
You tell me that you've had a
guilty conscience for so long.
You say that you walked out on me.
You say you did me wrong.
Well, I just don't see how that
could be true..
'cause I don't remember lovin' you.

I don't remember lovin' you.
You might talk to my doctor
he drops by each day at two.
I get a funny feelin'
when I look into your eyes.
There's somethin' in your smile
that gives my stomach butterflies.
You must look like someone I once knew.
But I don't remember lovin' you.

(Chorus)

I don't remember lovin' you
I heard you mention children
did you say there's one or two?
You say I quit my job
and then I drank myself insane.
You say that I ran down the highway
screamin' out your name.
Now that's not the sort of thing
that I would do.
No I don't remember lovin' you.

I don't remember lovin' you.
I absolutely positively know
that can't be true.
But everyone I know here in
this place is very strange.
If you'll hand me my crayons
I'll be glad to take your name
in case I run across the guy you knew

but I don't remember lovin' you.

(Chorus)

I don't remember lovin' you
and I don't recall the things
you say you put me through.
You tell me that you've had a
guilty conscience for so long.
You say that you walked out on me
you say you did me wrong.
Well, I just don't see how that
could be true...
'cause I don't remember lovin' you.

I don't remember lovin' you
and I don't recall the things
you say you put me through.
You tell me that you've had a
guilty conscience for so long.
You say that you walked out on me
you say you did me wrong.
Well, I just don't see how that
could be true...
'cause I don't remember lovin' you.
