All I want is What I Had With You

All I want is what I had with you.  
What I just can't find with someone new.  
I've tried other loves but they won't do.  
All I want is what I had with you.

(Chorus)

Lookin' back in time I see yesterday  
when I held the whole world and let it slip away.  
Changing times and strange new loves just leave me  
blue  
All I want is what I had with you.

Lookin' back in time I see yesterday.  
When I held the whole world and let it slip away.  
Changin' time sand strange new loves just leave me  
blue.  
All I want is what I had with you.
