These days I'm layin' low in San Diego, and you know
that's where the sun shines all the time
But every now and then I get the bad jones to go home,
so I call some old friends of mine
And they ask me if I like the place I'm livin' in, I tell 'em
California's pretty happening
But buddy out of everywhere I've been....

Should have stopped in Wichita, that was where I had it
all
There's a woman there with brown hair she never did-a
one thing wrong
Wonder what she's doing now wonder how her life
turned out
Yeah I got to see it all, should have stopped in Wichita

I've come from a long long line of dreamers, and
leavers, could have been the gypsy in my blood
Maybe I saw one too many wheatfields, big deal,
maybe it got too close to love.
That was when I thought I had it figured out, really
wasn't ready then to settle down
Wish I knew then what I know now....

Would have stopped in Wichita, that was where I had it
all
There's a woman there with brown hair, never did-a
one thing wrong
Wonder what she's doing now wonder how her life
turned out
Yeah I got to see it all, should have stopped in Wichita

Guess there's nothing left to do now, just get on with
my life somehow, so I keep throwndown

Should have stopped in Wichita, that was where I had it
all
There's a woman there with brown hair she never did a
damn thing wrong
Wonder where we'd right now, how it would have all
turned out
Yeah I got to see it all, should have stopped in Wichita

Yeah I got to see it all, should have stayed in Wichita
