Well, west of Zion
They got a hot spot brewin'™
Handcuffs and kisses
For the people who live there

Guitar players playin'™
Cinderella's™ sayin'™
Hey, boys get that spoon to my nose
And we'll run the midnight air

To go night, night, whoa, night dancin'
Hey, just a little, little, little night dancin'
Night, night, whoa, night dancin'
Hey, just a little, little, little night dancin'

Sodom and Gomorrah
They run the roadhouse
They keep everything jumpin'™
As the drummer keeps the beat

And it's really somethin'™
When those kids start bitchin'
Yeah, it starts me itchin'™
As I jump up to my feet

To go night, night, whoa, night dancin'
Hey, just a little, little, little night dancin'
Night, night, whoa, night dancin'
Hey, just a little, little, little night dancin'

Night, night, whoa, night dancin'
Hey, just a little, little, little night dancin'
Night, night, whoa, night dancin'
Hey, just a little, little, little night dancin'
Night, night, whoa, night dancin'

Night, night, whoa, night dancin'
Hey, just a little, little, little night dancin'
Night, night, whoa, night dancin'
Hey, just a little, little, little night dancin'

Night, night, whoa, night dancin'

Hey, just a little, little, little night dancin'
Night, night, whoa, night dancin'
Hey, just a little, little, little night dancin'
