

John Cougar "Danger List"

Office girls, they pass me by
They don't know my name
Put me on the danger list
Just too wild to tame

Take the drinks off of the table
Throw my guitar out the door
Set my sights on some new sunrise
Help my feet to the floor

I ain't looking for affection
I guess I need myself a shove
Give me someone I can look up too
Show me someone I can love

Good boys go to Heaven
Good girls say their prayers
Me, I don't say anything at all
I hope the Big Man still cares

Touch my soul with your religion
Cut my throat with your spite
Hurt me with your silence, girl
Stay with me, stay with me
Stay with me tonight

I ain't looking for affection
I guess I need myself a shove
Give me someone I can look up too
Show me someone I can love

I ain't looking for affection
I guess I need myself a shove
Give me someone I can look up too
Show me someone I can love

Don't go starin' at me
Makes me feel so insecure
Talk behind my back if you want to
I don't hear no more

Take me to my destination

Put me on the plane
Fly me up to Heaven, dear Lord
Take me home again

I ain't looking for affection
I guess I need myself a shove
Give me someone I can look up too
Show me someone I can love

I ain't looking for affection
I guess I need myself a shove
Give me someone I can look up too
Show me someone I can love
