Sonny's out strolling, ambling slowly
Washed in Amber street lights
A Mexican wind blows in
Takin' a hold of Angelina's hair and her halo
Motors runnin' muffling the sound
Of street talk, a big deal's goin' down

It's another hot night
In a cold town
Got yourself a hot night
In a cold town

Johnny's got spare change in his pocket
A ring and a watch to hock for a sweet ride
A one way ticket hidden in his shoe
These last few hours, he says he'll spend with you
He's leavin' home without a trace
No forwarding address, he'll never have to face
another

It's another hot night
In a cold town
Got yourself a hot night
In a cold town

Well, the losers and the grovers
And the corner boys are hangin' 'round
Runnin' in and out of doorways
Up and down the stairs
Stray dogs headed for the pound

It's another hot night
In a cold town
And got a, got a hot night
In a cold, cold town

It's another hot night
In a cold town
Got yourself a hot night
In a cold town

And got a, got a hot night

In a cold town
Got a, got a, got a, got a hot night
In a cold, cold town
