Pretty girls in beat up cars
Throwing kisses to the soldiers
Pale blue eyes and whiskey bars
The lines on her face say she's gettin' older

You better reach out to me
Girl, you better reach out to me

Runnin' with your weakness in the dark
You hope it disappears by tomorrow
On your knees and in the dark, don't wanna beg
Lord knows you're too old to borrow

You better reach out to me
Girl, you better reach out to me

'Cause you're a, ohh, ohh, wild angel
Ohh, ohh, a wild angel

Cabin fever nearly drove us insane
When the snow fell on us last December
Look at me, girl, I don't feel the same
Yeah, those days, they've all gone together

You better reach out to me
Girl, you better reach out to me

'Cause you're a, ohh, ohh, wild angel
Ohh, ohh, wild angel

Ohh, ohh, oh, wild angel
Ohh, ohh, oh, wild angel

Ohh, ohh, oh, wild angel
Ohh, ohh, oh, wild angel
