Hello what's your name?
It's about taking a chance

What you feel is right

Win or lose

yes it sounds like a piece of cake

why it have to be so hard
I wanna know who you are

but you know my big dream

is to only have you here

hey whats your name?

I wanna know who you are

hey whats your name

Do you wanna know who I am?

hey whats your name

I wanna know everything about you
hey whats your name?

Do you wanna know everything about me?

You're hanging with your friends
Outside my gate

To find out what your name is

thats easier said than done

why does have to be so hard

I wanna know who you are

but you know my big dream

is just to have you here

hey whats your name

I wanna know who you are

hey whats your name

do you wanna know who I am?

hey whats your name?

I wanna know everything about you

hey whats your name?

Do you wanna know everything about me?
