Bells will be ringing, the glad, glad news
Oh, what a Christmas to have the blues
My baby's gone and I have no friends
To wish me greetings once again

Choirs will be singing Silent Night
Ooh, Christmas carols by candlelight
Please come home for Christmas, come home for
Christmas
If not for Christmas, by New Year's night

Friends and relations send salutations
As sure as the stars shine above
It's Christmas time, my dear, oh, it's that time of year
To be with the one you love

Won't you please tell me, you'll never more roam?
Christmas and New Year's will find you home
There'll be no more sorrow, no grief and pain
And I'll be happy, happy once again

Friends and relations send salutations
As sure as the stars shine above
It's Christmas time my dear, it's that time of year
To be with the one you love

So won't you tell me, you'll never never never more
roam?
Christmas and New Year's will find you home
There'll be no more sorrow, no grief and pain
And I'll be happy, happy once again
No grief or pain and I'll be happy once again
