Sitting here in limbo, where I know it won't belong
Sitting here in limbo like a bird without a song
And they keep putting up resistance
But I know that my faith will lead me on

Sitting here in limbo, waiting for the dice to roll
Sitting here in limbo, got some time to search my soul
And they keep putting up resistance
But I know that my faith will lead me on

Well, I can't say where life will lead me
But I know where I've been
I don't know what life will show me
But I know what I've seen
Tried my hand at love and friendship
But now, that's past and gone
This little boy is moving on

Sitting here in limbo, waiting for the tide to flow
Well, I'm sitting here in limbo, knowing that I have to go
Well, they keep putting up resistance
But I know that my faith will lead me on

I'm sitting in limbo, I'm sitting in limbo
I'm sitting in limbo, I'm sitting in limbo
Limbo, limbo, limbo, limbo, limbo, limbo
Limbo, limbo, limbo, limbo, limbo, limbo
Well, they keep putting up resistance
But I know that my faith will lead me on

Well, I can't say where life will lead me
But I know where I've been
I don't know what life will show me
But I know what I've seen
I've tried my hand at love and friendship
But now, that's past and gone
This little boy is moving on

Sitting here in limbo, waiting for the dice to roll
Well, I'm sitting here in limbo, got some time to search
my soul
Yeah, they keep putting up resistance

But I know that my faith will lead me on

Yeah, they keep putting up resistance
But I know that my faith will lead me on
Yeah, they keep putting up resistance
But I know that my faith will lead me on
Yeah, they keep putting up resistance
But I know that my faith will lead me on
