Great granddaddy left five million dollars for Sally
Twelve twenty story office buildings in New York to
Sally
Sixty thousand acres of a prime beef cattle in Utah
A thirty room mansion with the servants and a chauffeur
with a new car
All of this for Sally all of this for Sally all of this for Sally
who loves only me
When the lawyers read the will and gave everything to
Sally
All the great grand kids looked disgustedly at Sally
It was quite a shock when he left his blue chip stocks to
Sally
And it was terrible when he left his Riviera home to
Sally
All of this for Sally all of this for Sally all of this for Sally
who loves only me
I take Sally for a walk each evening in the city park
She looks up at me with those big brown eyes and
breaks my silly heart
Sally's not too good at 'rithmetic so all her money I
kinda handle
Cause after all Sally's just a four year old uhm brown
eyed Cocker Spaniel
All of this for Sally all of this for Sally all of this for Sally
who loves only me
