(Callin' Doctor Casey)

(Callin' Doctor Casey)

Yyyyes?

Oh, Ben Casey, can you mend a broken heart?

Oh, Doctor Casey, can you mend a broken heart?

Well, now my sweet little baby's done and drove me  
crazy

And broke my heart in two

Oh, Doctor Casey

Ain't there something you can do?

Well, I watch you on television every week

There ain't nothing you can't do

A post nasal drip to a dislocated hip

From lockjaw to the flu

Callin' Doctor Casey (callin' Doctor Casey)

Callin' Ben Casey (callin' Ben Casey)

Callin' Doctor Casey (callin' Doctor Casey)

Callin' Ben Casey (callin' Ben Casey)

Yyyyes?

Hey, Doctor Casey, can you mend a broken heart?

Oh, Doctor Casey, can you mend a broken heart?

Well, now my sweet little baby's done and drove me  
crazy

And broke my heart in two

Hey, Ben Casey

Ain't there something you can do?

If you can mend broken bones and take out kidney  
stones

And do a little psychiatry

Then you ought to be able to put me on the table

And take good care of me

Oh, Ben Casey, can you mend a broken heart?

Hey, Ben Casey, can you mend a broken heart?

Well, now my sweet little baby's done and drove me  
crazy

And broke my heart in two

Hey, Doctor Casey  
Ain't there something you can do?

Callin' Doctor Casey (callin' Doctor Casey)  
Callin' Ben Casey (callin' Ben Casey)  
Callin' Doctor Casey (callin' Doctor Casey)  
Callin' Ben Casey (callin' Ben Casey)  
Yyyyes!

Oh, Doctor Casey  
Ain't there something you can do?  
Oh, Ben Casey  
Ain't there something you can do?
