Thou shalt not steal, thou shalt not steal

That's what the Good Book say, Ya, Ya, Ya, Ya

Thou shalt not steal, thou shalt not steal

But somebody is a stealing you away from me

I wonder if he really don't know

That he'll reap exactly what he sows

If he don't, he'll find out someday when

Somebody steals you from him

He'll be crying that

Thou shalt not steal, thou shalt not steal

That's what the Good Book say, Ya, Ya, Ya, Ya
