I'll do anything to make you mine  
I wanna be here with you all the time  
I'll give you everything you need  
Everything, can't do no more, oh

Ain't that enough for you  
Oh, ain't that enough for you  
There's nothing more I can do  
So ain't that enough for you

I'll make you happy here with me  
I'll give you all the love you need  
I'll give you loving every night  
Til the morning light  
Can't do no more, oh

Ain't that enough for you  
Oh, ain't that enough for you  
There's nothing more I can do  
So ain't that enough for you

Ain't that enough  
Ain't that enough  
Ain't that enough for you

Ain't that enough  
Ain't that enough  
Ain't that enough for you

Ain't that enough  
Ain't that enough  
Ain't that enough for you

Ain't that enough  
Ain't that enough  
Ain't that enough for you

I'll do anything to make you mine  
I wanna be here with you all the time  
I'll give you everything you need  
Everything, can't do no more, oh

Ain't that enough for you  
Oh, ain't that enough for you  
There's nothing more I can do  
So ain't that enough

Ain't that enough for you  
Oh, ain't that enough for you  
There's nothing more I can do  
So ain't that enough

Ain't that enough for you  
Oh, ain't that enough for you  
Ain't that enough for you  
Oh, ain't that enough for you

There's nothing more I can do  
So ain't that enough  
There's nothing more I can do  
So ain't that enough...
