This song was first released on the Aerie Album. It is the only album it has been released on.

Oh I love the changing seasons  
Green and growing all around  
Smiling faces laughing children  
Making such a joyful sound  
In my dreams I see tomorrow  
Time and children of my own  
Someone who will stand beside me  
Helping me to make ourselves a home  
If your eyes can see tomorrow  
Though it might seem far away  
If you have some dreams to build on  
May we help you today
