This song was first released on the Aerie Album. It is the only album it has been released on.

Oh I love the changing seasons
Green and growing all around
Smiling faces laughing children
Making such a joyful sound
In my dreams I see tomorrow
Time and children of my own
Someone who will stand beside me
Helping me to make ourselves a home
If your eyes can see tomorrow
Though it might seem far away
If you have some dreams to build on
May we help you today
