Time as I've known it it doesn't take much time to pass  
by me.

Minutes into days turn into months turn into years they  
hurry by me.

Still I love to see the sun go down and the world go  
around.

Dreams full of promises hopes for the future I've had  
many

Dreams I can't remember now hopes that I've forgotten  
faded memories.

Still I love to see the sun go down and the world go  
around.

And I love to see the morning as it steals across the  
sky.

And I love to remember, and I love to wonder why.

And I hope that I'm around, so I can be there when I  
die, when I'm gone.

I hope that you will think of me in moments when you're  
happy, and you're  
smiling.

And that the thought will comfort you on cold and  
cloudy days, if you are  
crying.

And that you'll love to see the sun go down, and the  
world go around, and  
around and around
