There's a storm across the valley
clouds are rollin' in
The afternoon is heavy
on your shoulders
There's a truck out
on the four lane
a mile or more away
The whinin' of his wheels
just makes it colder

He's an hour away from ridin'
on your prayers up in the sky
And ten days on the road are barely gone
There's a fire softly burnin'
supper's on the stove
But it's the light in your
eyes that makes him warm

Hey it's good to be back home again
Sometimes this old farm feels
like a long-lost friend
Yes 'n' hey it's good
to be back home again

There's all the news to tell him
how'd you spend your time
What's the latest thing the neighbors say
And your mother called last Friday
you felt the baby move just yesterday

Hey it's good to be back home again - yes it is
Sometimes this old farm feels
like a long-lost friend

Yes 'n' hey it's good
to be back home again

Oh the time that I can
lay this tired old body down
Feel your fingers feather soft upon me
The kisses that I live for
the love that lights my way

The happiness that that
livin' with you brings me

It's the sweetest thing I know of
just spending time with you
It's the little things
that make a house a home
Like a fire softly burnin'
supper on the stove
The light in your eyes
that makes me warm

Hey it's good to be back home again
Sometimes this old farm feels
like a long-lost friend
Yes 'n' hey it's good
to be back home again

Hey it's good to be back home again
you know it is
Sometimes this old farm feels
like a long-lost friend
Hey it's good to be back home again
I said hey it's good
to be back home again
