Sing songs of the sunrise into the night  
The stars as your timepiece, make it all right  
Make friends with the darkness, talk to the moon  
And when the light lifts, you can let out a tune

I've been to the mountains, climbed through the sky  
Shouldered their whiteness, watched their gold fly  
Shared in their treasures, shook at their might  
Spoke softly of wonders, Cowboy's Delight  
Sing songs of the sunrise into the night  
A song of the mountain, Cowboy's Delight  
The stars as your timepiece will make it all right  
Sing songs of the mountain, Cowboy's Delight
