I caught a ride on the Dreamland Express last night
I was sailing on an ocean of blue
Right there by my side
Much to my surprise, was you

I said, come over here baby, let me look in your eyes
Let me see the very heart of you
And I couldn't believe it
To conceive that my dream would come true

'Cause you said, "Hey there sweet daddy, everything is
alright
For miles there's not a telephone line
There's not a soul to disturb us
Don't be nervous just come and be mine"

You said, "Let me be the end of your rainbow
Let me be the stars up above
Let me be the one that you long for darlin'
Let me be the one that you love, oh oh
Let me be the one that you love"

Now it's four in the mornin', honey I can't sleep
I can't seem to get you out of my mind
I keep tossin' and turnin'
Yearnin' for the sun to shine

I'd like to send you a ticket on the Dreamland Express
And take you far away with me
I've got a vision of heaven
And you're livin' there with me

Honey let me be the end of your rainbow
Let me be the stars up above
Let me be the one that you long for darlin'
Let me be the one that you love, oh oh
Let me be the one that you love

Baby let me be the end of your rainbow
Let me be the stars up above
Let me be the one that you long for darlin'
Let me be the one that you love, oh oh

Let me be the one that you love, oh
Let me be the one that you love
