"Fly Away"

All of her days have gone soft and cloudy
All of her dreams have gone dry
All of her nights have gone sad and shady
She's getting ready to fly

Fly away
Fly away
(Fly away)

Life in the city can make you crazy
For sounds of the sand and the sea
(I'm of the sea)
Life in a high rise can make you hungry
For things that you can't even see

Fly away
Fly away
(Fly away)

In this whole world there's nobody as lonely as she
(Nobody as lonely as me)
There's nowhere to go and there's nowhere that she'd
rather be

She's looking for lovers and children playing
She's looking for signs of the spring
(Where is the spring?)
She listens for laughter and sounds of dancing
She listens for any old things

Fly away
Fly away
(Fly away)
(Fly away)

In this whole world there's nobody as lonely as she
(There's nobody as lonely as me)
There's nowhere to go and there's nowhere that she'd
rather be

All of her days have gone soft and cloudy
All of her dreams have gone dry

(Where are my days?)
All of her nights have gone sad and shady
She's getting ready to fly

Fly away
Fly away
Fly away
(Fly away)

Where are my days?
Where are my nights?
Where is the springtime?
I wanna fly, I wanna fly, I wanna fly
