Ever since the day I met you,
I feel like I'm walking on air.
And lately I'm convinced, it's no coincidence.
I run into you everywhere.
And though I've heard your love is taken,
I got to believe what's in your eyes.
Would I be out of line if I suggested a time
And we get together one of these nights.

Got my heart set on you.
You're everything that I ever wanted.
Got my heart set on you.
It can't be anything but love, baby.
I'm betting on it.

I don't want to give you the wrong impression.
I'm not the kind who rushes in.
But baby every time I see you,

Just before I even leave you,
I can hardly wait to see you again.

Got my heart set on you.
You're everything that I ever wanted.
Got my heart set on you.
It can't be anything but love, baby.
I'm betting on it.

I don't mean to be coming on strong,
Or taking anything for granted.
But love is a thing that just comes along.
You don't understand how it got out of hand,
But you're in it right from the start.

Got my heart set on you.
You're everything that I ever wanted.
Got my heart set on you.
It can't be anything but love, baby.
I'm betting on it.

Got my heart set on you.
You're everything that I ever wanted.

Got my heart set on you.
It can't be anything but love, baby.
I'm betting on it.

Got my heart set on you.
You're everything that I ever wanted.
Got my heart set on you.
It can't be anything but love, baby.
I'm betting on it.
