This song appears on three albums, and was first released on Different Directions album, and has also been released on The John Denver Collection - Take Me Home Country Roads album.

We were live on arrival  
Safe home at last  
No cannon fire dockside  
No flags half-mast

We were sold out for siver  
And a string of black pearls  
On the loneliest island  
At the edge of the world

Like destiny's children  
Souls lost at sea  
No room on the lifeboat  
You can hold on to me

Now the voyage is over  
We're back on dry land  
In our eyes are the stories  
The rope and the brand

Like destiny's children  
Souls lost at sea  
No room on the lifeboat  
You can hold on to me
