This song was first released on the One World album. It is the only album it has been released on.

I remember you
You're the one that made my dreams come true
Just a few kisses ago
I remember you
You're the one who said I love you too
Yes I do
Didn't you know
I remember too, a distant bell
And stars that fell, like the rain
Out of the blue

When my life is through
And the angels ask me to recall
The thrill of them all
Then I will tell them I remember
Tell them I remember
Tell them I remember you

I remember too, a distant bell
And stars that fell, like the rain
Out of the blue

When my life is through
And the angels ask me to recall
The thrill of them all
Then I will tell them I remember
Tell them I remember
Tell them I remember you
