Like A Sad Song
John Denver

Usually in the morning I'm filled with sweet belonging
And ev'rything is beautiful to see
Even when it's raining, the sound of heaven singing
Is simply joyful music to me.

Sometimes I feel like a sad song
Like I'm all alone without you.

So many diff'rent places, a million smiling faces
Life is so incredible to me
Especially to be near you and how it is to touch you
Oh paradise was made for you and me.

I know that life goes on just perfectly
And ev'rything is just the way that it should be
Still there are times when my heart feels like breaking
And anywhere is where I'd rather be.

Oh and in the night time I know that it's the right time
To hold you close and say I love you so
To have someone to share with
And someone I can care with
And that is why I wanted you to know

Sometimes I feel like a sad song
Like I'm all alone without you, without you.
