In the grand way  
She loves me  
Way she holds me  
Close to rest with me

And to know, she is my life to me  
Empty days are done  
Runnin' days are run  
For the first time, I love the mornin'

Burnin' sundowns  
Colored autumn trees  
Mountain rivers, country livers  
Put my mind at ease

And to realize such perfect harmony  
Standin' in the dawn  
Of a new day comin' on  
I'm lookin' for no tomorrow

I can still hear the lonely sound  
Engines of the midnight  
Freight train is northward bound  
And to feel my life

My life slowly losin' ground  
I never quite understood  
Though I see it for the good  
It seems like I've just been dreamin'

Way she holds me  
Close to comfort me

My empty days are done  
My runnin' days are run  
For the first time, I love the mornin'  
For the first time, I love the mornin'  
For the first time, the first time
