This song appears on two albums, and was first released on Live at the Sydney Opera House album as a live version, and has also been released on the Changes album.

Be sure it's true when you say I love you
It's a sin to tell a lie
Millions of hearts have been broken
Just because these words were spoken

I love you, yes I do, I love you
If you break my heart I'll die
So be sure it's true
When you say I love you
It's a sin to tell a lie

Be sure it's true when you say I love you
It's a sin to tell a lie
Millions of hearts have been broken
Just because these words were spoken

I love you, yes I do, I love you
If you break my heart I'll die
So be sure it's true
When you say I love you
It's a sin to tell a lie
