Be sure it's true when you say I love you  
It's a sin to tell a lie  
Millions of hearts have been broken  
Just because these words were spoken  
I love you yes I do I love you  
If you break my heart I'll die  
So be sure that it's true  
When you say I love you  
It's a sin to tell a lie

Cross my heart and I hope to Die  
I'll never, never, never tell another white lie  
Took my little girl out on a date last night  
Next to her Greta Gerty would have looked alright  
Now I'm between the devil and the deep blue sea  
Cause I said baby you look good to me  
I told her I loved her and oh how I lied  
Now she's getting set to be my blushing bride  
If she leads me to the alter I'm sunk  
Cause I can not tell the preacher I was drunk  
Lord have mercy on a no-count sinner  
Give me one more chance to let another guy win her  
Cross my heart and hope to die  
I'll never, never, never tell her one more time  
I'll never tell another white lie.
