This song appears on two albums, and was first released on the It's About Time album, and has also been released on the Country Classics album.

There's a full moon over India and Gandhi lives again  
Who's to say you have to lose for someone else to win  
In the eyes of all the people the look is much the same  
For the first is just the last one when you play a deadly  
game

It's about time we realize it we're all in this together  
It's about time we find out it's all of us or none  
It's about time we recognize it these changes in the  
weather  
It's about time, it's about changes and it's about time

There's a light in the Vatican window for all the world to  
see  
And a voice cries in the wilderness and sometimes he  
speaks for me  
I suppose I love him most of all when he kneels to kiss  
the land  
With his lips upon our Mother's breast he makes his  
strongest stand

It's about time we start to see it the Earth is our only  
home  
It's about time we start to face it we can't make it here  
all alone  
It's about time we start to listen to the voices in the  
wind  
It's about time, it's about changes and it's about time

There's a man who is my brother, I just don't know his  
name  
But I know his home and family because I know we feel  
the same  
And it hurts me when he's hungry and when his  
children cry  
I too am a father and that little one is mine

It's about time we begin to turn the world around

It's about time we start to make it the dream we've  
always known  
It's about time we start to live the family of man  
It's about time, it's about changes and it's about time  
It's about peace and it's about plenty and it's about  
time  
It's about you and me together and it's about time

Words by John Denver, music by John Denver and Glen  
D Hardin
