Love is everywhere, I see it
You are all that you can be, go on and be it
Life is perfect, I believe it
Come and play the game with me

Open yourself to the first celebration
Open your eyes to the joy and pain
Life is the fruit of your own creation
Every new birth is a soul regained

Love is everywhere, I see it
You are all that you can be, go on and be it
Life is perfect, I believe it
Come and play the game with me

Drinkin' my life from a silver fountain
Sweet water running to the cold salt sea
Old man moon on a white top mountain
Sound of the wind singin' dreams for me

Love is everywhere, I see it
You are all that you can be, go on and be it
Life is perfect, I believe it
Come and play the game with me

Follow your heart like a flying stallion
Race with the sun to the edge of night
Form your truth like a gold medallion
Dance in the circle of the love and the light

Love is everywhere, I see it
You are all that you can be, go on and be it
Life is perfect, I believe it
Come and play the game with me

Love is everywhere, I see it
You are all that you can be, go on and be it
Life is perfect, I believe it
Come and play the game with me

Love is everywhere, I see it
You are all that you can be, go on and be it

Life is perfect, I believe it
Come and play the game with me

Love is everywhere, I see it
You are all that you can be, go on and be it
Life is perfect, I believe it
Come and play the game with me

Love is everywhere, I see it
You are all that you can be, go on and be it
Life is perfect, I believe it
Come and play the game with me

Love is everywhere, I see it
You are all that you can be, go on and be it
Life is perfect, I believe it
Come and play the game with me
