Back in 1958 we drove an old V-8  
And when it gone a hundred 'thou  
We got out out pushed it a mile

### CHORUS

We didn't know who we were  
We didn't know what we did  
We were just on the road

Headin' down from Canada  
On a gravel road a mile from Montana  
Then my Daddy read a sign  
and took us in the wrong direction

I asked my Daddy where are we goin'  
He said we'll just follow our nose  
So I looked out the window  
And dreamed I was a cowboy

### CHORUS

We didn't know who we were  
We didn't know what we did  
We were just on the road

Met a girl in a truck cafÃ©  
Fell in love almost right away  
Then the Mercury was ready to go

And I had to leave her

### A11

Shooby Dooby Doo Shoo Doo  
Shooby Dooby Doo Shoo Doo  
Shoo Doo

Go home said the man in the moon go home  
Go home said the man in the moon go home

Because it's gettin' sort of late  
And I'll soon turn out my light  
Go home said the man in the moon go home

CHORUS

We didn't know who we were

We didn't know what we did

We were just on the road

We didn't know who we were

We didn't know what we did

We were just on the road

A11

We were just a riding on...

We were just a riding on the road.
