

John Denver "Season Suite \ Fall"

Reflections in the water like shadows in my mind
Speak to me of passing days and nights and passing
time
The falling leaves are whispering,
"Winter" s on it's way
I close my eyes, remembering the warmth of yesterday

It seems a shame to see September swallowed by the
wind
And more than that, it's, oh, so sad to see the
summer end
And though the changing colors are a lovely thing to
see
If it were mine to make the change, I think I'd
let it be
But I don't remember hearing anybody asking
me
