So many years ago, I can't remember now
Someone was waiting for me
I had the answers to all of my questions
Love was so easy to see

I didn't know

When I was younger, I should have known better
I thought that nothing was new
Through all the spaces, in all of the changes
The one I lost sight of was you

I didn't know, I didn't know

I could see you in singing skies
And dancing waters, laughing children, growing old
And in the heart and in the spirit
And in the truth when it is told

My life became shaded and I grew afraid
And I needed to find my way home
I just couldn't see you, I thought that I'd lost you
I never felt so much alone

Are you still with me?

Somehow in reason, I lost sight of seasons
Tides rolling out and rolling in
Sometimes in evening when daylight was leaving
I though I'd never see you again

Are you still with me? Are you still with me?

I'm with you in singing skies
And dancing waters, laughing children, growing old
And in the heart and in the spirit
And in the truth when it is told

If my faith should falter and I should forsake you
And find myself turning away

Will you still be there? Will you still be there?

I'll be there in singing skies
And dancing waters laughing children, growing old
And in the heart and in the spirit
And in the truth when it is told
