When you ask how I've  
been here without you  
I like to say  
I've been fine and I do  
But we both know the  
truth is hard to come by  
And if I told the truth  
that's not quite true

(chorus)  
Some days are diamonds  
some days are stone  
Some time the hard times  
won't leave you alone

Some times the cold winds  
blow a chill in my bones  
Some days are diamonds  
some days are stone

Now the face that  
I see in my mirror  
More and more is  
a stranger to me  
More and more I can  
see there's a danger  
In becoming what I  
never thought i'd be

(chorus)
