When you ask how I've been here without you
I like to say I've been fine and I do
But we both know the truth is hard to come by
And if I told the truth, that's not quite true

Some days are diamonds, some days are stone
Some times the hard times won't leave me alone
Some times the cold winds blow a chill in my bones
Some days are diamonds, some days are stone

Now the face that I see in my mirror
More and more is a stranger to me
More and more I can see there's a danger
In becoming what I thought I'd never be

Some days are diamonds, some days are stone
Some times the hard times won't leave me alone
Some times the cold winds blows a chill in my bones
Some days are diamonds, some days are stone
