It's a long way from LA to Denver
It's a long time to hang in the sky
It's a long way home to Starwood in Aspen
A sweet Rocky Mountain paradise
Oh, my sweet Rocky Mountain paradise

Springtime is rollin' around slowly
Grey skies are bringin' me down
I can't remember when I've ever been
so lonely
I forgot what it's like to be home
Can't remember what it's like to be
home

But I think on my lady's sweet memories
I think on my children's sweet smiles
I think on my home in Starwood in Aspen
All my friends and the snow covered hills
Oh, my friends are the snow covered hills

And I tell you I'm happy to be here
To share and consider this time
For I see here the shadows of changes
And a feeling of new friends to find
And I see here some new friends to find

But it's a long way from this place to Denver
It's a long time to hang in the sky
It's a long way home to Starwood in Aspen
A sweet Rocky Mountain paradise
Oh, my sweet Rocky Mountain paradise
