Hey everybody, tell me how do you feel?
Are you satisfied with your life?
Do you think it's real?
Tell me how is your head?
What are your dreams?

Do you have any plans?
Do you have any schemes?
Do you care about, about anybody?
I'd like to know, is the answer no?

Take me to tomorrow
Take me there today
I've had my fill of sorrow
And living this way

Take me to tomorrow
That's where I'd like to be
The day after tomorrow
Is waiting for me

Hey everybody, what's on your mind?
Do you think there's nowhere else to go
There's nothing left to find?
Are you happy where you are?
Do you have anything to share?

Do you think
You're going to waste your life
Spending it there?

Would you like to find a way out?
Do think it's worth a try
I'd like to know, is the answer no?
Well maybe so

Take me to tomorrow
Take me there today
I've had my fill of sorrow
And living this way

Take me to tomorrow

That's where I'd like to be
The day after tomorrow
Is waiting for me

Take me to tomorrow
Take me there today
I've had my fill of sorrow
And living your way

Take me to tomorrow
That's where I'd like to be
The day after tomorrow is waiting
The day after tomorrow is waiting
The day after tomorrow is waiting for me
