John Denver "The Harder They Fall"

Visit "The Harder They Fall" on MotoLyrics.com

This song appears on two albums, and was first released on the Dreamland Express Album. It was also released as a live version on The Wildlife Concert Album.

Aspen, Colorado on a Saturday night Jesse wishes she was at home Upset because her baby just $\text{ain} \hat{\mathbb{A}} \Leftrightarrow \hat{\mathbb{A}}^{\text{TM}} t$ treatin $\hat{\mathbb{A}} \Leftrightarrow \hat{\mathbb{A}}^{\text{TM}}$ her right So afraid of being alone Said she heard some stories $\text{he} \hat{\mathbb{A}} \Leftrightarrow \hat{\mathbb{A}}^{\text{TM}} s$ been runnin $\hat{\mathbb{A}} \Leftrightarrow \hat{\mathbb{A}}^{\text{TM}}$ around Said somehow she knows it $\hat{\mathbb{A}} \Leftrightarrow \hat{\mathbb{A}}^{\text{TM}} s$ all true She says a breaking heart can make a terrible sound She said she don $\hat{\mathbb{A}} \Leftrightarrow \hat{\mathbb{A}}^{\text{TM}} t$ know what to do

Think about a bad time, $\operatorname{can} \hat{\mathbb{A}} \Leftrightarrow \hat{\mathbb{A}}^{\mathbb{M}} t$ get much worse Think about a hard time, take it to the wall This $\operatorname{won} \hat{\mathbb{A}} \Leftrightarrow \hat{\mathbb{A}}^{\mathbb{M}} t$ be the last time, sure $\operatorname{ain} \hat{\mathbb{A}} \Leftrightarrow \hat{\mathbb{A}}^{\mathbb{M}} t$ the first

The bigger they are, the harder they fall

You might say sheâ€Â™ s caught between a rock and a hard place

You might say she just $can \hat{\mathbb{A}} \notin \hat{\mathbb{A}}^{\mathbb{M}} t$ win Some just $can \hat{\mathbb{A}} \notin \hat{\mathbb{A}}^{\mathbb{M}} t$ recover from a slap in the face Some just get right up and start all over again

Think about a bad time, $\operatorname{can} \hat{\mathbb{A}} \Leftrightarrow \hat{\mathbb{A}}^{\mathbb{M}} t$ get much worse Think about a hard time, take it to the wall This $\operatorname{won} \hat{\mathbb{A}} \Leftrightarrow \hat{\mathbb{A}}^{\mathbb{M}} t$ be the last time, sure $\operatorname{ain} \hat{\mathbb{A}} \Leftrightarrow \hat{\mathbb{A}}^{\mathbb{M}} t$ the first

The bigger they are, the harder they fall

Think about a bad time, $\operatorname{can} \hat{\mathbb{A}} \in \hat{\mathbb{A}}^{\mathbb{M}} t$ get much worse Think about a hard time, take it to the wall This $\operatorname{won} \hat{\mathbb{A}} \notin \hat{\mathbb{A}}^{\mathbb{M}} t$ be the last time, sure $\operatorname{ain} \hat{\mathbb{A}} \notin \hat{\mathbb{A}}^{\mathbb{M}} t$ the first

The bigger they are, the harder they fall

Aspen, Colorado on a Saturday night Jesse wishes she was at home She \tilde{A} ¢ \hat{A} $\in \hat{A}$ treatin \tilde{A} ¢ \hat{A} \in \hat{A} $^{\text{TM}}$ her right So afraid of being alone So afraid of being alone Nobody wants to be all alone She don \tilde{A} ¢ \hat{A} \in \hat{A} $^{\text{TM}}$ t want to be all alone So afraid of being alone We don \tilde{A} ¢ \hat{A} \in \hat{A} $^{\text{TM}}$ t want to be all alone
