When I was just a wee little boy, full of health and joy  
One Christmas morning I received a marvellous little  
toy

A wonder to behold it was, with many colors bright  
And the first trime I laid eyes on it, it became my  
heart's delight

It went zip when it moved  
Bop when it stopped  
Whirrr when it stood still  
I never knew just what it was  
And I guess I never will

The first time that I picked it up I had a big surprise  
For right on it's bottom were two big buttons  
That looked like big green eyes  
I first pushed one, then the other, then I twisted it's lid  
And when I set it down again, this is what it did

It went zip when it moved  
Bop when it stopped  
Whirrr when it stood still  
I never knew just what it was  
And I guess I never will

It first marched left, then marched right  
And then marched under a chair  
And when I looked where it had gone it wasn't even  
there  
I started to cry, my daddy laughed, he knew that I  
would find  
When I turned around my marvelous toy chugging  
from behind

It went zip when it moved  
Bop when it stopped  
Whirrr when it stood still  
I never knew just what it was  
And I guess I never will

The years have passed too quickly it seems, I have my  
own little boy  
And yesterday I gave to him my marvelous little toy  
His eyes nearly popped right out of his head, he gave a  
squeal of glee  
Neither one of us knows just what it is but he loves it  
just like me

It still goes zip when it moves  
Bop when it stops  
Whirrr when it stands still  
I never knew just what it was  
And I guess I never will  
I never knew just what it was  
And I guess I never will
