If I could save time in a bottle
The first thing that I'd like to do
Is to save everyday
Till eternity passes away
Just to spend them with you.

If I could make days last forever
If words could make wishes come true
I'd save everyday
Like a treasure and then again
I would spend them with you

But there never seems to be enough time
To do the things that you want to do
Once you find them
I've looked around enough to know
That you're the one I wanna go through time with

If I had a box just for wishes
And dreams that had never come true
The box would be empty
Except for the memory of how
They were answered by you

But there never seems to be enough time
To do the things that you want to do
Once you find them
I've looked around enough to know
That you're the one I wanna go through time with
