This song was first released on the Aerie Album. It is the only album it has been released on.

Tools was Baby Rabbit  
He was a friend of mine  
His Mamma and Pappa  
Brothers and Sisters  
Left him all behind  
He came into our house  
Brighten up a couple of days  
Tools you made me smile a lot  
And I wish you could have stayed

Tools was Baby Rabbit  
He was a friend of mine  
His Mamma and Pappa  
Brothers and Sisters  
Left him all behind  
He came back our house  
But only for a day or two  
Tools you made me smile again]  
Then you made good rabbit stew
