This song appears on two albums, and was first released on the *Whose Garden Was This?* album, and has also been released on the *Changes* album.

Whose garden was this  
It must have been lovely  
Did it have flowers  
I've seen pictures of flowers  
And I'd love to have smelled one

Whose river was this  
You say it ran freely  
Blue was its colour  
And I've seen blue in some pictures  
And I'd love to have been there

Tell me again, I need to know  
The forest had trees, the meadows were green  
The oceans were blue  
And birds really flew  
Can you swear that it's true

Whose grey sky was this  
Or was it a blue one  
You say they were breezes  
I've heard records of breezes  
And I'd love to have felt one

Tell me again, I need to know  
The forest had trees, the meadows were green  
The oceans were blue  
And birds really flew  
Can you swear that it's true

Whose garden was this  
It must have been lovely  
Did it have flowers  
I've seen pictures of flowers  
And I'd love to have smelled one

Tell me again, I need to know  
Tell me again, I need to know

Tell me again, I need to know
