It's cold and it's getting cold - er  
it's gray and white and winter all around.  
And oh, I must be getting old - er  
and all this snow is try'n' to get me down  
There's a fire in the corner slowly dying  
sometimes I just don't feel like goin' on  
And yet I know it's more than worth the waiting  
for another chance to see the summer sun  
Come on shine on me  
There's a fire in the corner slowly dying  
sometimes I just don't feel like goin' on  
And yet I know it's more than worth the waiting  
for another chance to see the summer sun  
Come on shine on me
