My daddy played a blue guitar
And dances roses Africa
So so Picasso

Cowboy cap, they slowly come
Fucked all those movie stars
So so Picasso

We're walking down the Golden Mile
Honky-ponky Spanish style
Where is Picasso?

E says he's the only man around
But wait till you look into his eyes

Chanson trouvÃ©e, chanson trouvÃ©e
S'il le pouvait, s'il le pouvait
He'd have love

He says he's the only man who cares
But that's just because he's scared

Crocodiles and gigolos
And quiet some quasimodo
So so Picasso

I like the joy and loneliness
And sex and sex and sex and sex uh
So so Picasso

We're walking down the Golden Mile
Honky-ponky Spanish style
Where is Picasso?

This is the only song around
Sounds like a fountain on the ground

He says he's the only man around
But wait till you look into his eyes

He says he's the only man who cares
That's just because he's scared
