Zindagi aag ka darya hai
Tair jaa, jo dara marta hai
Souch ka souch se naata hai
Apna sa kahan koi milta hai

Saanson mein meri, khushboo hai teri
Neendon mein meri, rehti hai surat teri
Karta hon पूरी, baatein jo keh dein
Yaadon mein meri, baatein bassi hein teri

Pyar karna hai bandagee
Raah saari hai yeh khushi, yeh khushi

Rok lo, waqt yeh thora hai
Yeh junoon khoon mein doura hai
Chehre ke peeche to chehra hai
Yeh jahan tere liye chora hai

Saanson mein meri
Khushboo hai teri
Neendon mein meri rehti hai surat teri
Karta hon पूरी baatein jo keh dein
Yaadon mein meri baatein bassi hein teri

Aas hai bandhi pyaas se
Aise hi to hum hein mile, hein mile

Shor dharkan mein, zor dharkan mein...
