I'm pressing on  
I'm pressing on  
I'm pressing on  
To the higher calling of my Lord

I'm pressing on  
I keep pressing on  
Yes, I'm pressing on  
To the higher calling of my Lord

Pressing on  
I keep pressing on  
I'm pressing on  
To the higher calling of my Lord

Many try to stop me, shake me up in my mind  
Say, "Prove to me that He is Lord, show me a sign"  
What kind of sign they need when it all come from  
within  
When what's lost has been found, what's to come has  
already been?

I'm pressing on  
I'm pressing on  
Gotta keep pressing on  
To the higher calling of my Lord

Gotta keep pressing on  
Keep pressing on  
Yes I'm pressing on  
To the higher calling of my Lord

Shake the dust off of your feet, don't look back  
Nothing can hold you down and nothing that you lack  
Temptation's not an easy thing, given the Devil's reign  
Caused a sin, I got no choice, it runs in my vein

I'm pressing on  
Can't hold me back  
I'm pressing on  
To the higher calling of my Lord

Turn me loose  
I'm pressing on  
Pressing on  
Yeah, I'm pressing on  
To the higher calling of my Lord

Pressing on  
On and on and on and on  
Pressing on  
Gotta got it keep pressing on  
To the higher calling of my Lord

Gonna keep pressing on  
Pressing on  
On and on and on and on, pressing on  
Turn me loose I gotta keep pressing on  
To the higher calling of my Lord

Pressing on  
I gotta keep pressing on  
Pressing on  
Pressing on
