Had Enough  
I've had enough of being nice  
I've had enough of righting wrong  
I've had enough of trying to love my brother  
I've had enough of being good  
I'm doin' everything like I'm told I should  
If you need a lover, you'd better find another

Life is for the living  
Takers never giving

Suspicion takes the place of trust  
My love is turning into lust  
If you get on the wrong side of me, you better run for  
cover  
I've had enough of being trodden on  
My passive days are gonna be long gone  
If you slap one cheek well I ain't gonna turn the other

Life is for the living  
Takers never giving

Fooling no one  
But ourselves  
Good is dying  
Here comes the end, here comes the end of the world

I'm gettin' sick of this universe  
Ain't gonna get better, it's gonna get worse  
And the world's gonna sink with the weight of the  
human race  
Hate and fear in every face  
I'm gettin' ready and I've packed my case  
If ya find somewhere better, can you save my place?

Fooling no one  
But ourselves  
Love is dying  
Here comes the end, here comes the end...of the world
