There's not a word I want to say
There's not a song I want to play
If it's not for You
There's not a step I want to take
There's not a morning I want to wake
If it's not for You

(chorus)

Pursue righteousness
Faith, love and peace
Plant the seed of truth
And you'll be given these
Walk away from sin
And all impurity
Seek His kingdom
And these things will be given to you
And these things will be given to you
If you just believe

Show me a man that would suffer for someone
The love of a father for his son
They'll see You
Show me a promise that cannot be broken
A different man when a few words are spoken
It's You
(chorus)

I never thought in my wildest dreams
I could have faith in something I've never seen
The promise of Heaven is mine
And these things will be given to you
And these things will be given to you
If you just believe

Pursue righteousness
Faith, love and peace
Plant the seed of truth
And you'll be given these
Walk away from sin
And all impurity
Follow the things that are pure
And holy in His sight

Pursue righteousness
Faith, love and peace
Seek His kingdom
