California, I gotta warn ya  
Keep thinking while I'm away,  
Because I'm coming back  
I'm coming back.

Shangri-la you ain't that far  
Just over the rainbow bar,  
You know I'm coming back  
I'm coming back  
If I can find a way  
I'm coming back.

It's a small world, if you seen it time after time  
So many cities, you can never be everywhere  
I've seen places, I've seen faces I never want to see  
again  
Nice place to visit, but I wouldn't want to live there.

(Guitar Solo)

London town don't wear that frown  
I won't let you down,  
You know I'm coming back  
I'm coming back

Here I am again, back on the plane  
Only thing that keeps me sane,  
Is the fact I'm coming back  
I'm coming back  
I don't know exactly when,  
But I'm coming back.

I'm coming back, I'm coming back  
Back, back, back, back, back, back
